If you can only bring books on the Christmas event day, there will be a table to put all books on and every child can come and pick one book as their Christmas present. It's a gift of giving and a gift of knowledge.

Please register your place at our Christmas event via the following link or QR Code. Please note if you have already registered via the Microsoft form you do not need to register again. As this is not a regular school day, it is important that all families confirm whether they will be attending for safety purposes. We appreciate your co-operation.

# FINNWAY PTA

We would like to kindly remind all parents about the work of the newly founded Finnway PTA (Parent and Teacher Association). It is organised to foster relationships between the school, home, parents, teachers, and the management. The PTA's purpose is to support school activities, assist class and subject teachers, and listen to feedback and comments from parents. The close collaboration between the PTA and the school aims to improve the school, benefiting all our children.

PTA class representatives gather feedback and comments from parents in their classrooms and discuss them during **monthly PTA meetings**. **Parents use Line groups for communication; however, if you prefer not to be in the Line group, you can contact the class representative directly.** Questions, concerns, comments, and feedback from parents are then discussed with the management to find optimal solutions. The PTA committee does not possess the authority to make decisions but is dedicated to supporting and following through on all suggestions, aiming to resolve any problems that may arise within the school. PTA's goal is to ensure the best possible learning environment for our children.

Below are the **class representatives** that form the PTA committee.
