NEW STAFF MEMBERS

We are delighted to welcome to the Finnway team the following new staff members from left to right:

Yulia, Admission Officer (Russian)

K. Wan, Security

WELCOME TO THE TEAM!

School Arrival

Arriving on time to school is key to a positive and effective learning environment. When primary children arrive on time, it ensures a smooth and uninterrupted first lesson of the day and has a positive effect for the whole day. Late arrivals disrupt the class rhythm, taking away valuable learning time and potentially shortening lessons. For our kindergartners, sticking to a regular schedule is beneficial, as consistent routines create a sense of security and predictability for young children. Arriving on time helps the children start the day calmly, maximising their engagement in the activities of the day.

Arrival Time

Kindergarten: 8:45 - 9:15AM

Primary: 8:15 - 8:30AM (The first lesson starts 8:30!)

Picking up your child early

For the safety of our children, we kindly request that any early pick-up arrangements be communicated promptly to your classroom teacher via Kindie Days or Seesaw. Upon receiving this notification, our teachers will promptly inform the office and the head of the department regarding the early pick-up. **Please proceed to collect your child from the office.**

Update on Kindergarten Building

We're thrilled to reveal the fantastic upgrades in our Kindergarten building! Your incredible support and patience have truly made this possible. From artificial turf to new ventilation fans, air conditioning in the gym hall, a revamped canteen gate, and fortified cement walls - we're transforming our space to ensure an even better environment for our happy students!

First Aid Training

FIRST AID TRAINING

On 8th January, our entire staff members and management achieved a milestone: completing our annual First Aid Training, all in dedication to securing our little ones' safety and happiness! 🌟👩🏻‍🎓
