FOOTBALL “ FRIENDLY

Last Thursday (7th March) FISP took part in our first ever sports fixture against another school. We travelled to Oak Meadow International School where a group of 10 children represented our school impeccably. The result did not go our way however all the children gave their best effort, enjoyed the experience and cannot wait for their next opportunity to play. We look forward to continuing our progression and offering this opportunity out to more children across the Primary School.
