MINI MARKET SUCCESS!

We're thrilled to share the success of our recent Primary School Mini Market! Students from grades 1 to 5 showcased their creativity by offering handmade products or services, **raising an impressive total of 10,037 baht.**

Thank you for your support during the event. Your presence and encouragement meant a lot to our young entrepreneurs.

All proceeds will be managed by the students, allowing them to decide how to use the funds, whether for charity or other purposes. Possible options for the use of the funds include investing in their next project-based learning project, the Kitchen Garden, or supporting Sustainable Maikhao initiatives. Looking forward to more exciting events in the future!

PRIMARY SCHOOL STUDENT LEAD CONFERENCES

For this term only, the school is making adjustment to our reporting process. Instead of our usual reports, we are introducing Student-Led Conferences. These will take place on Friday, the 5th of April. This format offers your child the opportunity to take the lead in showcasing their learning progress, followed by a discussion with the class teacher regarding their development and any concerns you may have.

Next week, your child's classroom teacher will send out a timetable where you can book a slot you would like. Please note that there will be no regular student classes on this day. Your child is only required to attend for the conference at the scheduled time slot.

Student-Led Conferences will provide a valuable opportunity for you to engage with your child's learning journey and gain insight into their achievements and goals.

KINDERGARTEN STAY & PLAY

Similar to Primary, Kindergarten will not be issuing reports for Term 2. Instead, we're excited to host a Stay & Play morning where parents and guardians can join in activities with their child, gaining insight into their Kindergarten experience. Stay & Play offers children the opportunity to showcase their daily activities.

Please note that this is not a typical drop-off day; parents will participate in morning activities prepared by the Kindergarten teachers for their child and will accompany their child home afterward. **Next week, Kindergarten teachers will provide further details of Stay & Play.**

We look forward to seeing you there!

AFTERSCHOOL CLUB PICK UP

A kind reminder to all parents and guardians, when you are picking up your child from an afterschool club whether it is external, in the primary building or in the kindergarten building. **Please wait in the Primary Canteen for your child to come to you.** This is for the safety of all children.

We thank you for your co-operation in this matter.
