COMMUNICATION PLATFORM UPDATE

We are pleased to announce that, based on valuable feedback from parents and staff, Finnway will be transitioning to a single communication platform for the whole school starting next academic year 2024 - 25. That platform will be **ClassDojo**, replacing Kindiedays and Seesaw. This change aims to streamline communication and enhance the overall experience for both parents and teachers.

Using one platform will ensure all important information is centralised and easily accessible.

We believe this transition to ClassDojo will provide a more cohesive and efficient communication experience for everyone involved.

All parents will be invited to join **ClassDojo** on our **PARENT ORIENTATION DAY**, scheduled for **MONDAY 19 AUGUST 2024**.

During this event, we will provide detailed instructions on how to access and use the new platform.
