FINNWAY WEEKLY NEWSLETTER

The Power of Student Action

Our students have shown incredible compassion and initiative in response to the recent flash flooding and landslide. Inspired to take action, many of our students have already generously donated items to help those affected by this event.

We have collected a variety of much-needed supplies, including dry food, bottled water, bedding, clothing, towels, blankets, kitchen equipment, picnic mattresses, and pillows. These donations will go a long way in supporting the community during this difficult time.

We are proud of our students for their kindness and willingness to help others.

Their actions demonstrate the power of empathy and the importance of supporting those in need.

Thank you to everyone who has contributed. Your generosity is making a significant difference.

Student Leadership Team

This year, Grade 5 and 6 students were invited to join the student leadership team, where they help organize assemblies and take on other responsibilities.

The following students volunteered and shared what they hope to gain from the experience:

Nami: "I want to step out of my comfort zone and try new things."

Nina: "I hope to become a good leader, build my confidence, and help other students."

Peak: "I want to get better at being confident."

Dasha: "I want to help others and speak in assemblies."

Keira: "I want to overcome my shyness."

Michael: "I want to develop my leadership skills."

Annabelle: "I want to talk in assemblies and help other students in the school."

Nithan: "I want to develop my confidence."
