FINNWAY WEEKLY NEWSLETTER

25 October 2024

Dear Parents,

We hope you had a restful mid-term break and are ready for an exciting second half of the term! It's been fantastic to see our students smoothly transition back into their routines.

They've returned with energy and enthusiasm, diving into their learning across core subjects, along with all the specialist subjects. It's wonderful to see them re-engage with their studies, quickly find their rhythm, and reconnect with friends.

The classrooms have been full of excitement as students collaborate on new projects, tackle challenges, and embrace opportunities to explore and grow. We're proud of how easily they've adjusted, and we look forward to seeing this positive momentum continue throughout the second half of the term.

Looking ahead, the second half of the term promises to be just as eventful. We're gearing up for some exciting activities, including our Halloween celebrations, the beautiful Loy Krathong festival, and two special days that offer parents a unique opportunity to engage with their child's learning experience.

1 First, the Kindergarten **'Stay and Play'** day will be held on the **3rd of December**. This is a wonderful opportunity for parents to join their children in the classroom and experience how they learn through interactive play. You'll participate in a variety of hands-on activities. We encourage all parents to attend and enjoy this special time with their children.

2 The following day, on the **4th of December**, we will host the **Primary Open Classroom Day**. On this day, your child will present some of their recent work and participate in learning activities with you, allowing you to share in their accomplishments and see their progress firsthand. It's a great way to celebrate your child's achievements in a fun and interactive setting.

Both of these events are designed to enhance the home-school partnership, allowing you to take an active role in your child's learning journey. Combined with our festive Halloween and Loy Krathong celebrations, the second half of the term promises to be filled with excitement and meaningful experiences for all.

You can find more information about these upcoming events on the ClassDojo calendar.

CONTACT INFORMATION

In case of an emergency or serious illness, it is essential that the school has up-to-date contact information for every family, including home, office, and mobile phone numbers. Parents should confirm their contact details on their child's first day of school.

If you haven't been receiving our emails recently, you may need to update your contact information. You can do this by filling out the form at the School Office or by completing the contact update form using this [link](#) or the QR Code provided.
