

KINDERGARTEN 2 & 3 FIELD TRIP PHUKET MINING MUSEUM

Our Kindergarten 2 and 3 students recently embarked on an exciting field trip to the Phuket Mining Museum, where they had the opportunity to explore history, science, and culture through hands-on experiences.

The adventure began with a guided exploration of various exhibits, including The History of Earth, Tin Mining, and Rocks and Minerals, where students observed and learned about different types of stones and how mining played a role in shaping Phuket's history. A highlight of the trip was the Traditional Puppet Show, where students got to experience a piece of local culture in an engaging and interactive way.

During the visit, teachers encouraged students to ask questions, make observations, and connect their learning to what they have been studying in class. The trip wrapped up with a picnic lunch in a shaded outdoor area, where students had the opportunity to relax and enjoy activities such as badminton and football.

It was a fantastic learning experience, and we are so proud of how well our students engaged with the exhibits and participated in discussions. Thank you to our teachers, staff, and parent volunteers who helped make this trip a success! We look forward to more hands-on learning adventures in the future.

COME AND JOIN
BOOK WEEK
CHARACTER DRESS-UP PARADE!

28 MARCH 2025 | 9:00-9:30 AM |  FOYER

Dear Parents,

We are **excited to invite you to our Book Week Character Dress-Up Parade!** 🎉

Watch as our **K2 – Grade 6** students **bring their favorite book characters to life** in a fun and colorful parade!

 **Students:** **Dress up as a character from your favorite book** and join the parade! Don't forget to bring your book to showcase your inspiration.

 **Parents:** You are **welcome to attend and enjoy the event**—no need to dress up, just come and cheer for our young readers!

Let's celebrate the joy of reading together! 📖 ✨
We look forward to seeing you there!

PARENT CONFERENCES

FRIDAY, 4TH APRIL

Primary

Primary **Student-Led Conferences** will take place on **Friday, 4th April**. These conferences **involve the student, parent, and teacher**, and provide a valuable opportunity to **reflect on your child's learning** and **progress** this term.

Kindergarten

For Kindergarten students, the **Early Childhood Education and Care Plan Review** meetings will also be held on **Friday, 4th April**. These meetings are between **parents and the classroom teacher** and focus on your **child's development** and **goals**.

Booking a Time

Classroom **teachers** will **send out a message** next week with information on how to book a time for your meeting.

Specialist Subject Teachers

Specialist subject teachers will be **available in the foyer** throughout the day for parents to drop by and discuss their **child's progress in other learning areas** such as Music, Art, PE, Chinese, and Technology.

English as an Additional Language (EAL)

If your child attends EAL classes, the EAL teachers will **contact you directly to arrange a time** to meet between the **24th and 28th of March** to **provide an update on your child's progress**.

Intensive English Program (IEP)

If your child is part of the Intensive English Program, you will also be **contacted directly to schedule a meeting** to discuss your **child's learning journey and progress**.
