WELCOME BACK TO TERM 3

We hope all our Finnway families had a relaxing and enjoyable holiday break. As we begin the final term of the academic year, we're excited for the learning, growth, and celebrations that lie ahead.

Term 3 is always a special time in the school calendar. Students will continue engaging in rich and meaningful learning activities across all subject areas, building on their progress from the year so far. It's also a time for community events that bring us together—including Transition Meeting for K3, International Day, end-of-year celebrations, and our graduation ceremonies.

Our teachers are ready to support every student in finishing the school year with confidence, joy, and a strong sense of accomplishment. Thank you, as always, for your continued partnership. We look forward to sharing this final part of the journey with you and your children.

PTA EASTER ACTIVITIES: A FUN AND FESTIVE AFTERNOON

On Friday, April 25th, students from PreK to Grade 6 enjoyed a delightful afternoon of Easter-themed activities organised by our wonderful PTA. From egg painting to a lively Easter egg hunt across both the Main Campus and Finnway Connect Campus, there was plenty of excitement and creativity in the air.

Each child also received a chocolate treat to take home, adding a sweet touch to the celebration. A big thank you to our PTA and staff for their efforts in creating such a joyful experience for our students and strengthening our school community spirit.
