INTERNATIONAL DAY A CELEBRATION OF CULTURE AND COMMUNITY!

On Friday, May 30th, our school celebrated **International Day** with a vibrant showcase of cultures. The event began with a lively student parade, followed by performances that highlighted music, dance, and traditions from around the globe.

Families generously contributed food for our international food booths, creating a wonderful opportunity for students and parents to explore global cuisines. A **big thank you to all families** who shared a dish, your support made this part of the event truly special.

Students also enjoyed fun activities including face painting, rock painting, a kindergarten booth, and karaoke, along with engaging activities led by the PTA. We wrapped up the day with an energetic Zumba session.

Thank you to everyone who helped make the day a joyful celebration of our diverse and inclusive school community.

Community Update: Health & Safety at Finnway

Dear Finnway Families,

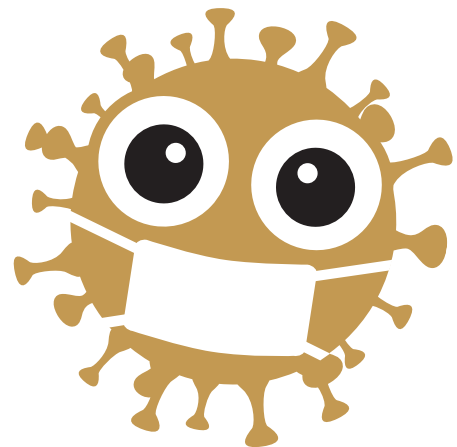

As part of our ongoing commitment to the health and wellbeing of our community, we would like to share a brief update regarding the recent reports of the XEC Covid-19 variant in Thailand. While this variant is more contagious, current information indicates that it is not severe.

At Finnway International School Phuket, we continue to follow our established Emergency and Medical Policy and Procedures to ensure the safety of our students, staff, and families. Our campus undergoes regular weekly cleaning using medical-grade, anti-germ disinfectants, and we conduct deep cleaning protocols whenever a suspected case is identified. These practices help us maintain a healthy learning environment every day.

We kindly encourage our community to stay informed and continue following basic health precautions, such as hand hygiene and respiratory etiquette, both in and out of school. Thank you for your continued support and cooperation in keeping Finnway safe and thriving.

Warm regards,

Finnway International School Phuket

A reminder that our **Term 3 mid-term break** will take place on **Monday, June 2 and Tuesday, June 3**. There will be no school for students on these days. School will resume as normal on **Wednesday, June 4**.

We hope all our students and teachers enjoy a restful break!
