

WELCOMING THE PHUKET PROVINCIAL EDUCATION OFFICERS TO FINNWAY

On Wednesday, June 11, Finnway International School had the honour of welcoming representatives from the Phuket Provincial Education Office, led by the newly appointed Director, Ms. Panna Phromwichian. The purpose of the visit was to build strong relationships with international schools in the region and to gain an overview of each school's unique educational approach.

During the visit, the Director and her team toured the campus and observed a range of classroom activities. They had the opportunity to see students engaged in meaningful learning across subject areas, reflecting Finnway's commitment to high-quality, student-centered education.

The visiting team noted the positive atmosphere across the school, the focus and participation of the students, and the welcoming nature of our staff and learning environments.

We sincerely thank all teachers, staff, and students for helping to create such an authentic and warm experience. Special thanks also go to the academic and administrative teams who prepared the visit schedule and school presentation. This visit provided a valuable opportunity to share the strengths of our community and the quality of teaching and learning at Finnway.

CONGRATULATIONS TO OUR INDEPENDENT LEARNERS!

We are proud to announce and celebrate the outstanding students who have demonstrated the Learner Profile attribute of being Independent. These learners have shown great responsibility, self-motivation, and the ability to manage their learning effectively. Well done to all!
