

Parent Health Session with Bangkok Hospital – Supporting Well-Being at Finnway

On **Thursday, June 5th**, Finnway was proud to **host a special health presentation in collaboration with Bangkok Hospital Phuket**. The session, titled **“Common Infectious Diseases in Children During the Rainy Season,”** was well attended by parents from across the school community.

Dr. Waroon Tangjitrapitak, a specialist in Pediatrics and Pediatric Infectious Diseases, led the session with clear, practical insights into how common illnesses spread during the rainy season, and more importantly, how to prevent and treat them. Topics included an overview of infectious diseases in children, everyday prevention strategies, and current approaches to treatment.

Parents appreciated the opportunity to ask questions and receive reliable information directly from a pediatric expert. The event also reinforced our shared commitment to student health and well-being, especially during a season when illnesses are more common.

Thank you to all parents who attended, and to Bangkok Hospital for their continued support in promoting wellness in our school community.

Remy Beharie's Medal-Winning Debut at National Kurash Championship!

We're proud to highlight the recent success of one of our Primary students, **Remy Beharie**, who **demonstrated great perseverance and athletic skill at the 12th Thailand Kurash Championship 2025**, held at the Thailand National Sports University in Bangkok.

Kurash is a traditional form of wrestling from Uzbekistan and shares many techniques with judo. Since October, Remy has been training in judo and is a proud member of the Supalai Judo Club Phuket in Surin.

At the championship, **Remy competed with determination and focus, going up against strong and experienced opponents**. His efforts earned him two bronze medals—a fantastic achievement and a moment of pride for the entire Finnway community!

Well done, Remy! Your dedication and sportsmanship continue to inspire us all.

U9 Football Match Recap – Finnway vs. UWC

This week, our **Under-9s** played a home match against **UWC** in what turned out to be a wet and challenging afternoon. The rain came and went throughout the game, creating slippery conditions and making the ball difficult to control—but that didn't stop our students from giving it their all.

Despite the tough conditions and the final score not going our way, **the team battled hard, gained valuable match experience, and showed great determination and sportsmanship.** It was a true test of focus and resilience, and the players rose to the challenge with positive attitudes.

A big thank you to Coach Thae for his continued support and to all the Finnway parents who braved the weather to cheer on the team, your encouragement was greatly appreciated!
