

This week in kindergarten...

Our little learners have been busy exploring emotions—learning to notice their own feelings and recognise those of others with the caring support of their teachers. Alongside this, they've been growing their skills both indoors and outdoors, from balancing on the playground to practising pencil grips in the classroom. Every day brings new steps forward in their learning journey!

Thank You for Attending the “Getting to Know You” Interviews

A heartfelt thank you to all Primary parents who attended our Parent/Teacher “Getting to Know You” interviews from 8–12 September.

These conversations were a wonderful opportunity for us to meet with you, learn more about your child's interests, strengths, and goals, and begin building a strong partnership between home and school.

Your insights and support help us plan more effectively for the year ahead, ensuring each child's learning journey is positive, personalised, and successful. We're looking forward to continuing this collaboration and keeping the lines of communication open throughout the school year.

Congratulations to Our Respectful Learner Profile Awardees!

This month, our focus was on being respectful. At school, being respectful means listening carefully to others, using kind words, taking care of our classroom spaces, and treating everyone in our community with fairness and consideration. Whether it's showing good manners at lunchtime, working cooperatively in class, or supporting friends in the playground, respect helps create a positive and caring environment for all.

We are proud to recognise the following awardees for demonstrating this learner profile:

- **Diana Pospeshylova – IEP Grade 2**
- **Kanaphoj “Phuwa” Wasiksiri – Grade 4**
- **Sasipat “Nampun” Janprasoot – Grade 4**
- **Sol Hansathansatit – Grade 1**
- **Teia Porubleva – Grade 3**
- **Mikhail Selivanov – Grade 6**

Our **next learner profile will be Collaboration**. We're excited to see how our students will work together, share ideas, and support one another in the coming weeks. Certificates for Collaboration will be presented at our next Assembly.

Building Wellness Through Badminton

Our after-school badminton sessions for teachers are now in full swing every Monday in the School Gymnasium/Sports Hall. This initiative supports staff well-being by providing a fun and active way to unwind, reduce stress, and strengthen collegiality at the start of the week. All teachers, regardless of skill level, are warmly encouraged to join and enjoy some quality time with colleagues while boosting fitness and energy.
