

Student Leadership Group

This year, our Grade 5 and 6 students were given the opportunity to step forward and take on the responsibility of becoming part of Finnway's Student Leadership Group. We are proud to announce the following students who bravely put themselves forward for this important role:

Grade 6: Nina, Troy, Nithan, Eva, Michael, Maxwell, Ivan

Grade 5: Sea, Aurelia, Alesia

At last Friday's assembly, our new student leaders demonstrated outstanding ownership and agency by running the entire assembly from start to finish—without any assistance from teachers. They spoke confidently about what it means to be a leader and even role-played our learner profile of Respectful to guide and inspire the younger students.

We could not be prouder of these students for stepping out of their comfort zones and embracing this challenge. Throughout the year, they will continue to grow as role models, setting an excellent example for others and contributing positively to the life of our school.

Finnway Hosts Landmark English Edutainment Camp

Last week, Finnway International School Phuket proudly hosted a transformative three-day English Edutainment Camp for 250 students from Udonpittayanukoon School, as part of the Thailand Education Hub initiative. Led by our Finnish-trained educators, the camp blended authentic Finnish pedagogy with local cultural engagement, showcasing Finnway's leadership in innovative English language education.

Highlights included:

Interactive learning activities that built confidence, creativity, and communication skills.

A curriculum rooted in the Finnish International model, approved by the Thai Ministry of Education and aligned with global standards.

Strengthened ties with the wider education community, including collaborations with Satree Phuket and Phuket Wittayalai.

This milestone event not only inspired students but also reinforced Finnway's commitment to holistic, future-ready education. As we continue to grow, we remain dedicated to excellence, innovation, and international collaboration.

A Joyful Evening of Connection for Finnway Families!

Our Finnway Family Fun Evening was filled with laughter, warmth, and a true sense of community. It was wonderful to welcome new parents and share time with families who have been part of our journey for many years.

What makes Finnway special is exactly this, the strong family connections and the way our community comes together. At Finnway, we strive to create an atmosphere where families feel welcome, supported, and part of something bigger. Even on the rainiest of days, the joy of being together shines through.

This was the first of many social evenings the school will initiate, giving more parents the opportunity to join in and connect. Keep an eye out for the next one, we can't wait to see you there!

A special thank you to Micky, our PTA chairperson, for being there to support the event and help make it such a lovely evening.

Learner Profile of the Month: Respectful

I use good manners and understand how to be nice to different people.

This month, our focus is on being **respectful**. At school, being respectful means listening carefully to others, using kind words, taking care of our classroom spaces, and treating everyone in our community with fairness and consideration. Whether it's showing good manners at lunchtime, working cooperatively in class, or supporting friends in the playground, respect helps create a positive and caring environment for all.

Students who demonstrate this learner profile will be recognised, and certificates will be presented during Assembly on the 12th of September.

PRIMARY PARENT/TEACHER ***“GETTING TO KNOW YOU”*** INTERVIEWS

A reminder to all Primary parents that our Parent/Teacher “Getting to Know You” interviews will take place from 8–12 September. These meetings are an important opportunity to share your goals for your child, strengthen the home–school partnership, and help teachers better understand your child’s interests, strengths, and learning needs.

If you have not yet signed up, you can find your child’s schedule link in their ClassDojo Class Story or messages. Please select a time that works best for you.

We look forward to meeting with you and working together to support your child’s learning journey.
