Mourning Ceremony for Her Majesty Queen Sirikit

On Friday, 31 October 2025, our Finnway community gathered to honour Her Majesty Queen Sirikit The Queen Mother with a dignified tribute that reflected our shared respect, gratitude, and unity.

The ceremony began with a message of remembrance from our Founder and CEO, Khun Pakakrit Wasiksiri, delivered in Thai, followed by Teacher Matt and Teacher Lindsay, who shared the message in English. Their words reminded everyone of Her Majesty's profound contributions to the nation — from her dedication to preserving Thai traditions and culture to her tireless advocacy for rural development, women's empowerment, and environmental conservation.

A solemn silence was observed as students, staff, and parents stood together in quiet reflection, expressing deep respect and gratitude for Her Majesty's lifelong service to the Thai people.

To conclude the ceremony, members of the school's management team, teachers, student leaders, and parent representatives signed the Condolence Book, offering personal notes of sympathy, admiration, and remembrance.

The ceremony served as a poignant reminder of Her Majesty's enduring influence — her grace, compassion, and love for the people continue to inspire generations.

May Her Majesty Queen Sirikit The Queen Mother rest in eternal peace, and may her legacy of kindness and service live on in our hearts.

Finnway School Wellbeing Survey Highlights

Grades 3-6

The Student Wellbeing Survey was recently completed by students from Grades 3–6 to help us better understand how they feel about their learning, friendships, and overall experience at school. The feedback provides valuable insight into what students enjoy most about Finnway and how we can continue to support their wellbeing and growth.

Survey Highlights:

A strong sense of belonging:

Approximately 89% of students said they enjoy coming to school and feel proud to be part of the Finnway community. They described Finnway as a happy and welcoming place where they feel included and respected.

Positive relationships with teachers:

Students consistently shared that their teachers help them learn, encourage them to do their best, and make lessons engaging. They also feel their teachers listen to their ideas and support their learning progress.

Friendship and inclusion:

Across grades, students reported having good friends, feeling safe at school, and being comfortable joining in group activities. The results show that kindness and cooperation are strong values in our community.

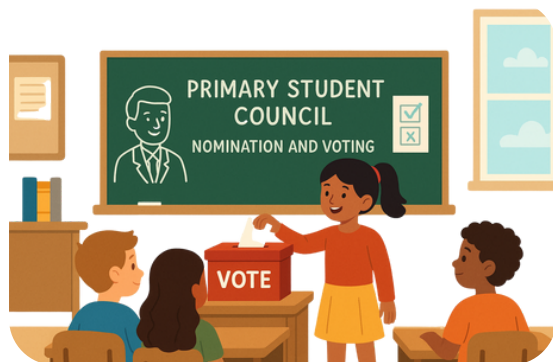

Respect and fairness:

Students expressed that they feel accepted for who they are and that their classmates and teachers treat them fairly. Many students also said they are comfortable being themselves at school.

These results reflect the caring and supportive environment we aim to build every day at Finnway. We will continue to listen to our students' voices and work together to make our school an even more positive and connected place for everyone.

Primary Student Council

For Grades 1 - 6 and IEP

Dear Parents,

We are happy to share that our school will soon be forming a **Student Council** from Grades 1 to 6 and IEP.

Each class will nominate one representative between **November 3–7**, and **voting will take place on November 10**.

The Student Council is a small group of elected pupils who **represent their classmates**. With teacher guidance, they will meet monthly to share ideas, plan activities, and help make our school an even better place to learn and grow.

This initiative **teaches children about leadership, responsibility, teamwork, and active participation** in a safe and supportive environment.

Thank you for encouraging your child to get involved—we can't wait to hear their ideas for improving school life.
