Stay & Bake

- The Great Finnway Bake Off -

This week, our Kindergarten community enjoyed two wonderful Stay & Bake events filled with baking, learning, and joyful family moments.

K2 & K3 – Banana Bread at Finnway Main Campus

On Wednesday, families joined their children in the kindergarten canteen for a hands-on banana bread challenge. Our young chefs took the lead — mashing, mixing, measuring, and guiding their parents through each step. This activity supported early maths, science, language, and confidence-building, ending with a warm reflection and Junior Baker certificates.

Pre-K & K1 – Chocolate Rice Treats at Finnway Connect

On Thursday at the Connect playground, our youngest learners proudly led their parents in creating chocolate rice treats. The no-bake recipe encouraged sensory exploration, fine motor skills, communication, and teamwork. Families enjoyed a relaxed, happy morning together, ending with certificates and shared reflections.

Learning in Action

Across both campuses, children showed agency, curiosity, and collaboration — perfectly reflecting our Finnway Four Pillars. Thank you to all families for joining us and helping make these Stay & Play mornings so meaningful and memorable.

OBEC Teachers Professional Development at Finnway

This week, **Finnway International School Phuket** hosted four **OBEC teachers** for a two-day professional competency development programme. During their visit, teachers observed lessons across the Primary School, gaining insight into active learning, English-medium instruction, and strategies used to support diverse learners.

They also participated in workshops focused on effective teaching practices, classroom management, and approaches for supporting students with lower English proficiency. Reflection and action-planning sessions helped them identify practical strategies to bring back to their own classrooms.

We were pleased to support this initiative and strengthen collaboration with local schools. Finnway looks forward to continuing this partnership to help enhance teaching and learning across Phuket.
