Primary Open Classroom

On Thursday, 27 November, we welcomed parents to our **Open Classroom Day** for Primary Grades 1–6 and the Intensive English Program (IEP). The event offered a wonderful opportunity for families to see firsthand the learning that has taken place during the first term.

Students proudly **shared their classwork and projects** with their parents, demonstrating what they have been developing in literacy, numeracy, Science and other core subject areas. It was inspiring to see how confidently our learners explained their tasks, reflected on their progress, and showcased the skills they have gained.

The morning also **strengthened the home-school connection**, as parents engaged in meaningful conversations with their children about their learning journey and celebrated their accomplishments.

We extend our **appreciation to all parents** who joined us. Your continued support plays a key role in motivating and empowering our students to reach their full potential.

Learner Profile Award: Open-Minded

This month at Finnway Primary, we have been highlighting the learner profile of Being **Open-Minded**. Students were encouraged to approach new people and new experiences with curiosity and respect, showing a willingness to learn from others and embrace different perspectives.

We are **proud to celebrate** the following students who were recognised by their teachers for demonstrating this important value:

- 🌟 **G1 White: Sol, Aleksandra, Margarita**
- 🌟 **G1 Pink: William**
- 🌟 **G2 Orange: Audrey**
- 🌟 **G3 – IEP: Enzo**
- 🌟 **G3: Efrem**
- 🌟 **G4: Noa**
- 🌟 **G5: Aleksandra**
- 🌟 **G6: Troy**

A big **congratulations** to all awardees! Your openness to new ideas, people, and experiences makes our school community stronger and more inclusive.
