

Primary Field Trip

Intara Pearl Farm

This week, our Primary students enjoyed an exciting educational visit to Intara Farm (Pearl Farm) as part of our Term 2 activities. During the trip, students took part in a pearl farming and marine ecology session, created their own natural tie-dye scarf to take home, and experienced a guided kayaking activity through the mangrove ecosystem. They also had the opportunity to feed the various fish at the farm, which was a particular highlight for many students.

It was a wonderful opportunity to learn outside the classroom while exploring Phuket's natural environment. The kayaking experience was especially memorable, with trained guides and life jackets provided to ensure safety at all times. Throughout the day, students showed great enthusiasm, teamwork, and responsibility.

A big thank you to our teachers and support staff for their careful supervision, and to our parents for your support in preparing students with hats, sunscreen, water bottles, and snacks. It was a memorable experience for all involved, and we are proud of how well our students represented Finnway.

Chinese New Year Celebration

On 13th February, our Kindergarten and Primary students came together with families to celebrate Chinese New Year 2026 at our Main Campus. It was a vibrant and joyful morning filled with colour, culture, and community spirit.

Students and parents enjoyed a range of interactive activity stations, including traditional games, creative experiences, and opportunities to share New Year wishes. The event also included cultural performances that brought everyone together and created a wonderful festive atmosphere.

With students proudly dressed in traditional colours of gold, red, maroon, and orange, the campus was alive with energy and celebration.

A sincere thank you to our staff for organising such a special event and to our parents for joining us. It was a meaningful celebration that reflected the strong sense of community at Finnway.

Announcement

FINNWAY SECONDARY LEVEL OPENING IN AY 2026/ 2027

Finnway International School Phuket is proud to announce the opening of its Secondary School programme in Academic Year 2026/2027, beginning with Year 8 or Grade 7.

Our Secondary programme is thoughtfully designed and academically rigorous, integrating the Cambridge Secondary curriculum with a Finnish-inspired educational approach in a distinctive way. This integration provides strong academic foundations while nurturing critical thinking, learner independence, and lifelong learning skills.

As Finnway continues to grow, our Secondary provision will expand year by year, providing students with a clear, coherent, and robust learning pathway through the secondary years and beyond.

Finnway Signature Learning

Inquiry / Project-Based Learning (Finnish-style interdisciplinary projects).

Three clear assurances for families

- Deep learning with strong academic foundations
- Personalised support with wellbeing at the centre
- A globally recognised pathway grounded in human values

Music Club – Mondays (Grades 3–6)

Our Music Club takes place every Monday and is open to students in Grades 3–6. This is a fun and creative space where students can explore music together, practise their skills, and enjoy playing as part of a group.

Students are welcome to bring their own instruments if they have them. Our aim is to gradually build confidence, teamwork, and musical skills as we work towards forming a Finnway School Band.

All students with an interest in music are encouraged to join, whether they are beginners or already play an instrument. We look forward to making music together!

MUSIC FUN CLUB

FINNWAY MUSIC BAND

WHERE: MUSIC ROOM
WHEN: MONDAY AT 12:20 PM
INSTRUMENTS: UKELELE, GUITAR, PIANO, FLUTE

The poster features a blue background with various musical instruments and cartoon illustrations of children playing. Instruments shown include a green guitar, a blue drum, a purple keyboard, a blue electric guitar, a yellow acoustic guitar, a flute, a saxophone, and a white keyboard. The Finnway International School Phuket logo is in the top left corner.

Learning in Year 8 (Grade 7)

A balanced, future-ready curriculum that keeps strong academics and supports the whole child:

- **Core & Global Learning**
 - English
 - Mathematics
 - Science
 - Global Perspectives
- **Humanities & Languages**
 - Humanities
 - Thai Language
 - Modern Foreign Language (e.g., Chinese)
- **Creative, Digital & Practical Learning**
 - Art & Design
 - Computing
 - Digital Literacy
 - Music
- **Wellbeing & Development**
 - Physical Education
 - Wellbeing (pastoral / PSE)

Assessment & Progress

Students' progress will be monitored through teacher assessment and Cambridge-aligned benchmarks. Cambridge Progression Tests (English/Mathematics/Science) and Cambridge Checkpoint at the end of Stage 9 may be used for international benchmarking as the programme expands.

Clear pathways for the future

Clear academic pathways through Cambridge, leading to Cambridge IGCSE and as students' progress. Cambridge International AS & A Levels, supporting international university entry.

BAHT 210,000
Standard Price at Baht 225,000

The early bird offer is available till 20 February 2026 or until fully booked

Updates

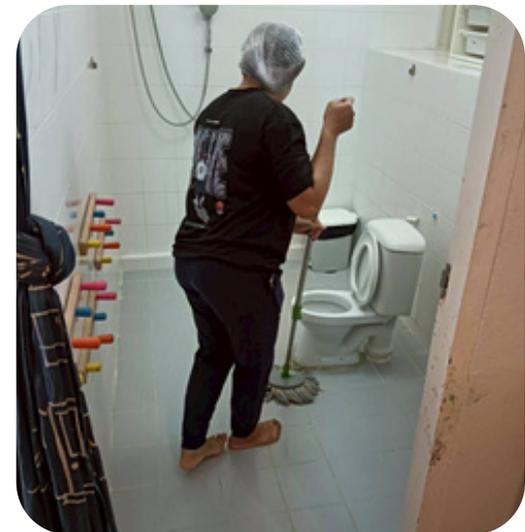

Student Well-Being & Hygiene Practices

Children aged 4–5 years may occasionally experience mild stomach symptoms such as diarrhea or vomiting, which are common in early childhood and often temporary. With proper rest, hydration, and supportive care, most children recover quickly. Medical guidance from the Merck Manual Professional Edition notes that these symptoms are frequently seen together in young children and are usually short-lived.

At Finnway, student well-being is always our priority. As part of our ongoing commitment to a safe and healthy learning environment especially during this seasonal period, our school actively monitors students' health and provides appropriate dietary support when needed.

In addition, the Finnway Operations Team has implemented daily classroom deep cleaning since 29 January 2026, reinforcing our high hygiene standards and ensuring a clean, comfortable environment for all students.
