## Building a Sustainable Community at Finnway International School

On Wednesday, 28 January, Finnway International School hosted a community meeting linked to our Term 2 theme of sustainable development. The focus of the afternoon was on recycling, reusing everyday items, and strengthening our sense of community around these important goals.

We invited representatives from local organisations to share concrete examples of how items can be given a second life and the kinds of recycling initiatives that already exist in our neighbourhood. Their inspiring stories showed our students, staff, and families that even small daily choices can make a real difference.

At Finnway, we have already begun recycling paper and plastic in our classrooms, and our students have been actively learning about sustainability in their lessons. The next step is to broaden this awareness to our wider school community.

During Term 2, we will organise a Drop-off Event, where parents are warmly invited to bring recyclable items to school. Our partner organisations will then collect these items for appropriate reuse or recycling.

Together with our students, families, and community partners, Finnway International School is taking practical steps towards a more sustainable future.

## Career Week

Thank you to all parents who took part in our recent Career Week. We are incredibly grateful to the parents who volunteered their time to visit classrooms and share their careers, experiences, and skills with our students.

Career Week gave students a valuable opportunity to learn about different jobs, pathways, and real-world experiences. Hearing directly from parents helped make learning meaningful, engaging, and connected to life beyond the classroom.

Thank you for supporting our learning community and for helping inspire our students. We truly appreciate your involvement and generosity.

## Primary Learning Café

Thank you to all parents who joined us for our recent Primary Learning Café focused on learning support and SEN. It was wonderful to see so many families take the time to learn more about how we support children's learning and development at Finnway.

During the session, we shared how learning support happens within everyday classroom lessons, how teachers work together to support individual needs, and how we help students build confidence and independence as learners. Parents also had the opportunity to visit our SEN classroom and see the resources and learning spaces we use to support students.

A special thank you to Teacher Krista, our SEN Coordinator, for leading the session and sharing her expertise. We appreciate the thoughtful questions and positive engagement from parents and look forward to continuing these open and informative conversations together.

## LEARNER PROFILE CERTIFICATES CARING

We are proud to celebrate our students who received the Learner Profile Certificate with a focus on Caring. These students demonstrate concern, empathy, and kindness towards others and the environment, showing a genuine interest in the well-being of others and offering support when needed.

- Grade 1: Denis, Hawa, Maria
- Grade 2 Orange: Tore
- Grade 3: Fiona
- IEP – Grade 3: Diana
- Grade 4: Cansin
- Grade 5: Mia Lu
- Grade 6: Nina

Well done to all our awardees for being caring role models in our school community

# Announcement

## **FINNWAY SECONDARY LEVEL OPENING IN AY 2026/ 2027**

**Finnway International School Phuket** is proud to announce the opening of its Secondary School programme in Academic Year 2026/2027, beginning with Year 8 or Grade 7.

Our Secondary programme is thoughtfully designed and academically rigorous, integrating the Cambridge Secondary curriculum with a Finnish-inspired educational approach in a distinctive way. This integration provides strong academic foundations while nurturing critical thinking, learner independence, and lifelong learning skills.

As Finnway continues to grow, our Secondary provision will expand year by year, providing students with a clear, coherent, and robust learning pathway through the secondary years and beyond.

### **Finnway Signature Learning**

Inquiry / Project-Based Learning (Finnish-style interdisciplinary projects).

### **Three clear assurances for families**

- Deep learning with strong academic foundations
- Personalised support with wellbeing at the centre
- A globally recognised pathway grounded in human values

### **Learning in Year 8 (Grade 7)**

A balanced, future-ready curriculum that keeps strong academics and supports the whole child:

- **Core & Global Learning**
  - English
  - Mathematics
  - Science
  - Global Perspectives
- **Humanities & Languages**
  - Humanities
  - Thai Language
  - Modern Foreign Language (e.g., Chinese)
- **Creative, Digital & Practical Learning**
  - Art & Design
  - Computing
  - Digital Literacy
  - Music
- **Wellbeing & Development**
  - Physical Education
  - Wellbeing (pastoral / PSE)

### **Assessment & Progress**

Students' progress will be monitored through teacher assessment and Cambridge-aligned benchmarks. Cambridge Progression Tests (English/Mathematics/Science) and Cambridge Checkpoint at the end of Stage 9 may be used for international benchmarking as the programme expands.

### **Clear pathways for the future**

Clear academic pathways through Cambridge, leading to Cambridge IGCSE and as students' progress. Cambridge International AS & A Levels, supporting international university entry.
