After- School Pick- Up Terms & Conditions

To ensure the safety and well-being of all students participating in Finnway's After-School Activities Program, the following pick-up terms and conditions apply:

1. Pick-Up Time

- All after-school activities end at 4:15 PM.
- Students must be picked up no later than 4:30 PM.
- Any student not collected by 4:30 PM. will be placed into the After Care Program, and a fee of Baht 250 net per hour will apply.

2. Pick-Up Location

- All students must be picked up from Finnway International School unless otherwise authorized.
- For off-campus activities, direct pick-up from the activity site is not allowed unless a completed and approved Parent Request Form is submitted before the first activity day of the week.

3. Authorized Pick-Up

- Only parents or designated guardians listed on the student's official pick-up list may collect the child.
- Identification may be requested for verification purposes.

4. Request form Off-Campus Pick-Up

- If you wish to pick up your child directly from an off-site location, a signed Off-Campus Pick-Up Consent Form must be submitted and approved by the school.
- Without this form, the school will not release any child at an off-site location under any circumstances.

Health & Safety

Finnway International School provides all students with limited accident insurance coverage. If the parent, guardian, or caretaker elects not to provide private health insurance for their child, they accept responsibility for any medical expenses incurred should their child be injured while participating in activities. In general, students with health conditions will not be accepted into after-school activities due to the lack of trained personnel available to provide medical care during this time. It is strongly advised that students refrain from participating if they are sick.

ACCIDENTS

Every participant in extracurricular activities must report any injury, no matter how slight, to the coach immediately. For minor injuries, the injured student will be attended to by a staff member on duty. No medicines will be administered, but cuts will be cleaned, and bandages/plasters will be applied if deemed appropriate. If necessary, the parent(s) or guardian will be contacted.

For more serious accidents or injuries, such as suspected broken bones, head, or eye injuries, parents/guardians will be informed immediately. The child will be kept under observation until the parents/guardians arrive, with an emphasis on making the child as comfortable and settled as possible. In the event of a very serious injury, parents/guardians will be contacted immediately.

If the staff determines that immediate professional help is needed, parents/guardians will be contacted to seek permission to call an ambulance and meet at the designated hospital. Any expenses incurred will be the responsibility of the parents/guardians. Parents/guardians will be kept informed of any developing situations.

Communication

It is crucial for the school to be able to contact the parent/guardian in case of an emergency or unforeseen situation. This ensures timely coordination with healthcare providers and helps keep parents informed.
