

Kindergarten 3 - Grade 1 Transition

On Friday 8th May, we were pleased to welcome our K3 parents to our K3 to Grade 1 Transition Meeting. It was wonderful to see such a strong turnout, and we sincerely thank all of the parents who attended.

The purpose of the meeting was to support families as they begin to look ahead to the next stage of their child's learning journey. Transition points are an important time for both children and parents, and we wanted to provide not only specific information about Grade 1, but also a broader picture of Primary School at Finnway.

During the session, parents were given an overview of what they can expect as their children move into Grade 1, including day-to-day routines, classroom expectations, and the learning experiences that form part of life in Primary. We also shared how learning continues to be supported through a caring, structured, and engaging environment, helping children build confidence, independence, and readiness for this next step.

Most importantly, the meeting was an opportunity to give clarity and reassurance. Moving from Kindergarten to Primary is a significant milestone, and we hope the session helped parents feel informed, confident, and excited about what lies ahead.

We greatly value the strong partnership between home and school, and we look forward to continuing to work closely with families as our K3 students prepare for their transition into Grade 1.

RESILIENT

At Finnway International School, we are proud to recognize students who have **demonstrated** the Finnway Learner Profile attribute of being **Resilient**. These students have shown **perseverance, determination, and a positive attitude** in their learning journey. During the assembly, we proudly celebrated the following students for their outstanding efforts and commitment to growth:

- Grade 1 – **William Mortensen**
- Grade 2 – **Sophia Croyle and Audrey Costoglou**
- Grade 3 – **Rita Li, Richa Li, David Panamatea, and Roman Poliakov**
- Grade 4 – **Pham Tirattanaprakom and Thomara Yeats**
- Grade 5 – **Chananchida Choodam and Alesya Lebedeva**
- Grade 6 – **Troy Sivapruksa**
- IEP – **Diana Pospeshylova**

Congratulations to all of our award recipients for embodying resilience and inspiring our Finnway community through their hard work and determination.

Swimming Program Begins at Finnway

We are excited to share that the Finnway Swimming Program officially started this week, and our students have already shown great enthusiasm and excitement during their sessions. The program provides students with valuable opportunities to build water confidence, develop essential swimming techniques, and practice important water safety skills in a fun and supportive environment.

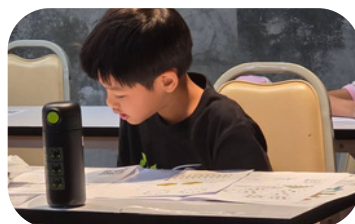

Led by Coach Henry and supported by the assistant coach, with the assistance of Teacher Jomar, students were introduced to the basic foundations of swimming, including floating, kicking, breathing techniques, and safe movement in the water. It has been wonderful to see students actively participating, encouraging one another, and gaining confidence with each lesson.

The swimming sessions also promote physical fitness, coordination, discipline, and teamwork while helping students enjoy active and healthy lifestyles. We look forward to seeing our students continue to grow, improve their skills, and build confidence throughout the program.

Grade 2 Student Earns Bronze in Kangaroo Math Thailand 2026

Congratulations to **Beam of Grade 2** for achieving the **Bronze Award** in the **Kangaroo Math Thailand 2026** Competition under the Pre-Écolier category. This achievement reflects Beam's hard work, perseverance, and enthusiasm for learning Mathematics. We are proud of Beam's accomplishment and celebrate this wonderful success with the Finnway International School community.

Reminder

Dear Parents,

This is a friendly reminder about our **International Day on Friday, 22 May**. We would love for everyone to **join this special celebration** of **"Our World, Our Community."** If you would like to **contribute a dish** to our food stations, please sign up using this [link](#).

Thank you for your support and participation. We truly appreciate your contribution in making this celebration meaningful and memorable for our school community.

Our World, Our Community

Fri, 22 May 2026 | 8:30 AM – 12:00 PM | Foyer & Gym
