INTERNATIONAL DAY & OPEN HOUSE 2026

Thank you so much to all our parents and families for joining us today and helping make International Day such a meaningful and joyful celebration for our whole school community.

It was so special to see our students from Pre-K all the way to Grade 6 proudly performing, singing, dancing, playing instruments, and sharing parts of their cultures with such confidence and excitement. The student performances are always one of the highlights of our events, and it was very clear how much effort and preparation had gone into them across all classrooms.

We would also like to thank all the families who shared food, traditions, and cultural experiences with us today. Seeing our community come together in this way truly reflected the spirit of "Our World, Our Community."

A big part of today was also the Open House element, and it always means a lot to us when parents take the time to walk through the learning spaces, view student work, and see our learning in action. We are proud of the learning, creativity, and growth happening in our classrooms every day, and it was wonderful to share that with you.

Thank you again for your support, positivity, and for being such an important part of our Finnway community

Finnway Friendly Match Experience

Finnway International School proudly participated in a friendly match with Oak Meadow International School. We are incredibly proud of our students for showing teamwork, sportsmanship, confidence, and determination throughout the event.

The experience allowed our students to build friendships, develop their skills, and represent the school with positive attitudes both on and off the court. Their hard work, discipline, and enthusiasm made the event truly memorable.

A big thank you to everyone. We look forward to more opportunities for collaboration and friendly competition in the future!

Well done, Finnway students!
