Grade 6 Graduation

This week, Finnway International School Phuket proudly celebrated our Grade 6 Graduation at the wonderful setting of Blue Elephant Phuket. It was a special evening dedicated to recognising the achievements, growth, and learning journey of our graduating students.

The event brought together students, families, teachers, school leaders, and invited guests for a memorable celebration. The evening began with a warm welcome, followed by the student procession, speeches, student performances, a graduation video, and the certificate and award ceremony.

One of the most meaningful moments of the evening was seeing each Grade 6 student take the stage and be recognised for their hard work, progress, and contribution to the school community. The students also shared their talents through a song and dance performance, adding energy, joy, and personality to the celebration.

Throughout the evening, there was a strong sense of pride from families and teachers as we reflected on how much the students have grown during their time at Finnway. Graduation is not only about finishing one stage of learning; it is also about preparing for the next chapter. For our Grade 6 students, this marks an exciting step as they continue their learning journey into Lower Secondary.

We would like to thank all staff, students, families, and everyone involved in preparing and supporting the event. A great deal of work went into making the evening special, from the performances and speeches to the decorations, music, photography, certificates, and organisation behind the scenes.

Congratulations to all our Grade 6 graduates. We are very proud of you and look forward to seeing you continue to grow, learn, and succeed in the years ahead.

Health Screening

As part of our commitment to promoting student health and wellbeing, our students participated in a routine health screening conducted by the professional medical team from Bangkok Hospital.

These screenings help monitor our students' overall health and support early identification of any concerns, ensuring they receive the care and guidance they need to thrive both in and out of the classroom.

At Finnway International School, we believe that healthy children are confident learners. We sincerely thank Bangkok Hospital for partnering with us in supporting the health and wellbeing of our school community.

Parent-Teacher Conferences

As we conclude another wonderful academic year, we sincerely thank all our parents for taking the time to attend our End-of-Year Parent-Teacher Conferences. Your presence, support, and partnership play a vital role in your child's learning journey.

These conferences provided a valuable opportunity to celebrate each student's achievements, reflect on their progress, and discuss ways to support their continued growth.

We truly appreciate your trust, encouragement, and collaboration throughout the year. Thank you for being an important part of our school community. We wish you and your family a safe, restful, and enjoyable holiday, and we look forward to welcoming you back for another exciting school year!

End-of-Year Event

As we close another wonderful academic year, we would like to say one final thank you to all our Finnway families.

Thank you for filling our gym one last time to celebrate our students and enjoy the performances they prepared with such dedication and excitement. Seeing our school community come together is always a special reminder of what makes Finnway such a wonderful place to learn and grow.

This has been a year filled with memorable events, and your incredible participation and support at every step have meant more than you know. Thank you for being present, for cheering on every child, and for trusting us to be part of your children's journey.

To our parents, congratulations. Your children have shown resilience, kindness, creativity, confidence, and determination throughout the year. They have worked hard, grown in so many ways, and truly deserve a well-earned break.

Like any community, we continue to learn and grow together with the same shared commitment: to provide the very best for our children. It is a community I am truly proud to be part of.

Thank you for another unforgettable year. We wish you a holiday filled with rest, adventure, laughter, and precious time together with your loved ones.

Have a wonderful summer, and we look forward to welcoming you back for another exciting year at Finnway.
