Grade 6 to Lower Secondary Transition Meeting

We would like to extend our sincere thanks to all Grade 6 parents and new families who attended the Grade 6 to Lower Secondary Transition Meeting.

The event was a valuable opportunity to introduce families to the Lower Secondary programme, share important information about academic expectations, student wellbeing, school routines, and the exciting opportunities awaiting our students as they begin this new chapter of their learning journey.

The meeting was held in the Lower Secondary classroom, allowing families and students to experience the learning environment firsthand. This helped students become more familiar with their future classroom setting and supported a smoother and more confident transition into Lower Secondary.

We were also pleased to have several Grade 6 students attend the meeting. Their engagement and thoughtful questions demonstrated their enthusiasm for the next stage of their education. The valuable discussions and questions raised provided further clarity and reassurance, helping students feel more prepared and confident about their transition to Lower Secondary.

It was wonderful to see the support, enthusiasm, and partnership from both our current and incoming families. We are grateful for your continued trust and collaboration as we work together to ensure a smooth, positive, and successful transition for all students.

Thank you once again to everyone who joined us. We look forward to welcoming our students into an exciting year ahead in Lower Secondary.

Happy Midterm Break from Our School Community

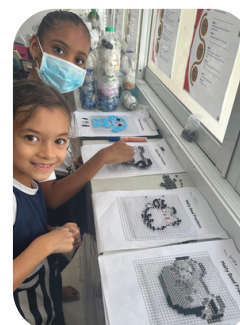

Dear Parents and Guardians,

As we begin our Midterm Break, we would like to take this opportunity to thank you for your continued support throughout the first half of the term. Our Kindergarten and Primary students have had a wonderful time learning, exploring, and growing together in school.

We hope this break gives your family time to rest, recharge, and enjoy special moments together. Thank you for your partnership in making our school community positive and supportive for all children.

We look forward to welcoming our students back refreshed and ready for more exciting learning experiences on Thursday, June 4th.

Have a restful and enjoyable Midterm Break!
